

Why Academia for Apple

We're an Apple Authorised Reseller and Apple Authorised Service Provider that's been around since 2003 and have mastered our trade through supporting universities, colleges and schools with their Apple solutions. Today, we partner with 96% of universities, as well as thousands of schools and colleges.

Our in-depth knowledge and relationship with Apple and its ecosystem provides unrivalled value to our customers. As an Apple Authorised Service Provider, we are currently tracking **100% CSAT score** with repairs averaging four working days.

In the last year:

We sold
17,000 Mac
55,000 iPad,

we fully managed
50,000 devices,

supported by
50 Engineers

We go beyond product

Yes, we're great at sourcing your Apple tech at more than competitive pricing but our value comes from our services – a real life saver for our customers. Here's a selection of some of our solutions and managed services:
